## Party Time Pom Pom Garland

January 2011

### Materials needed:

Tissue packages in Red, White, Orange and Pink.

Scissors

Seam Binding Ribbon

Wax Twine (Red preferred)

### Instructions:

Cut tissue into 5x8" squares.

Layer 8 sheets together

Accordion pleat tissue into  $\frac{1}{2}$  -  $\frac{3}{4}$ " pleats

Cinch middle and tie off securely with wax twine.

Cut each end of pleated tissue into a rounded tip.

Gently open fan and pull apart tissue to form one half of the ball.

Make several of these pom poms in each color.

Attach two pom poms to seam binding ribbons to create a ball. Repeat to create garland.

You can use halves of pom poms to top your box lunches as seen in January 2011 Party Time projects.
